## Power to Vary

As progress is made and new possibilities emerge, the direction for donor investment may change over time. For this reason, we urge donors who have restrictions identified in their bequest language to also include the following Power to Vary statement in their bequest clause:

In the event that circumstances make the specified use of this gift no longer practical or desirable, the Board of Trustees of the Alberta Cancer Foundation are hereby authorized to make changes in its use in keeping as far as possible with the spirit and general intent of the gift.
