

Bequest Wording

If you are considering including a gift in your Will to support care and/or research at St. Joseph's Health Care London through the St. Joseph's Health Care Foundation, please contact us so that we can ensure your wishes can be fulfilled when your gift is received.

Sample Bequest Wording

Highest Priority Needs:

I direct X # of shares, or X % of, or a specific \$ amount of my estate to St. Joseph's Health Care Foundation (London, Ontario) to be used to support highest priority patient care and research needs across St. Joseph's Health Care London.

Specific Gift Direction:

You may wish to direct your legacy gift to a specific site or care program across St. Joseph's. Please contact us to ensure the proper wording for your gift so that your wishes can be fulfilled.

Power to Vary Clause

As progress is made and new possibilities emerge, the priority needs to advance patient care and research may change over time. For this reason, we encourage donors who have made a specific bequest in their Will to include a Power to Vary clause.

Example of Power to Vary Clause:

If at the time of my death, circumstances make the specified use of my gift no longer practical or desirable, I direct the Board of Directors of St. Joseph's Health Care Foundation to make changes in its use, keeping as close as possible to the original spirit and intent of my gift.

Charitable Registration # 11918 3390 RR0001
