

HIGH NOTES *Free* MUSIC LESSONS

High Notes Avante is a registered charity that is using artistic expression to inspire, give hope and connect those touched by mental illness. We produce image-raising concerts & events and offer online and in-person programs using the power of the arts to help those affected move forward on higher notes.

What?

We are excited to announce that we are now offering FREE music lessons on piano and guitar. The program is funded by a South-Central Richmond Hill Community Quick Action grant & the Richmond Hill Hall Charitable Association. Initially, we will accept 20 people (youth age 14-25 prioritized) for the individual music lessons and up to 40 people of all ages for the choir.

Choir

The choir will be offered in the Richmond Hill United Church on Mondays from 7-9 pm starting Monday September 19 and online on Friday mornings (10:30 am) starting September 9th. Anyone interested in participating is invited to email us to express interest at highnotesvoices@gmail.com

Piano (& keyboard)

The piano lessons will be offered at Richmond Hill United Church on Mondays, Wednesdays & Saturdays according to the available schedule of our highly qualified teachers. Virtual lessons may also be an option.

Guitar

Guitar lessons will be offered on Saturday mornings at Richmond Hill United Church and around the availability of the instructors in their studios located in the same geographical vicinity.

It is very important that you fill in our application form asap so we can match you up.

APPLY NOW

Why?

We are offering these programs because we believe in and have evidence that music heals. In an ideal world, everyone should have the opportunity to learn to express themselves through music. We are optimistic that additional instruments and band/orchestra might be offered in the near future as well.
