# SASKATCHEWAN 4-H FOUNDATION IMPACT

The Saskatchewan 4-H Foundation has played a significant role in the success of 4-H Saskatchewan for over 60 years. The Foundation was incorporated in 1960 for the purpose of receiving and administering funds donated to the 4-H program. It became a charitable organization in 1967.

The most encouraging aspect of supporting the Foundation is that the money you give today will not only support current 4-H members, leaders, and programs, but will continue to work for the benefit of future generations of 4-H members. The Foundation receives donations from a wide variety of sources and invests the funds under the direction of a volunteer Board of Trustees and a Financial Advisor (RBC Dominion Securities).

"The 4-H program has a strong and vibrant history in Saskatchewan and a bright future as well. The support 4-H receives from donors and volunteers is vitally important to ensure its continued success. No matter how you choose to support 4-H, you can feel confident your support is being put to good use developing the future leaders of our province."
